

## ***AMS RRG Business Partner News***

***May 2009***

And the first quarter results indicate that 2009 is off to a faster start:

- Revenue grew by approximately 30% year over year.
- Surplus has climbed over \$17million.
- We added new business in 15 states.

Thanks to all of you who help to contribute to our success.

### **New State filings**

AMS RRG has adjusted rates in nine states: CA, CO, GA, IA, IL, MD, MN, NJ, and OR. Please contact your BPIS representative for new rate cards if you conduct business in these venues.

We have also adjusted our relativities for podiatry to .7 for minor surgery and 1.0 for major surgery.

### **New AMS RRG Brochures Available**

Our brochures have a completely new look and feel that we feel will be more effective in today's environment. Please contact your BPIS representative for copies.

### **AMS RRG in the News**

Crittenden and the Risk Retention Reporter both published positive articles about us. We have reprints of these articles available for you marketing efforts. Let us know if you would like copies.
