A MEDICAL LIABILITY INSURANCE COMPANY

Since 2002, AMS RRG has been providing medical liability insurance to a growing number of physicians across a broad range of specialties, and today we are one of the nation's largest physician risk retention groups.

Central to our success are AMS RRG's custom programs for reducing practice risk developed by our insured physician members. Backed by proprietary risk management tools and best practices techniques, these distinguished physicians are available to:

- Develop strategies to reduce medico-legal risk
- Assist physicians in implementing risk-reduction processes

“AMS RRG is more than just an insurance company. It’s the only medical liability carrier I know that takes an active approach to reducing overall risk exposure for individual physicians and their practices.”
